Dear Mr Moffat,

The Airdrie, Coatbridge & District Battalion of the Boys' Brigade on 25<sup>th</sup> March 2017 hosted the national UK and Ireland Chess Championship Finals in Coatbridge.

Four teams, two from Scotland and one each from England and Northern Ireland, participated in keenly contested matches and I have enclosed a copy of the programme and results for your information.

On behalf of Airdrie, Coatbridge & District Battalion, may I thank you for your very generous contribution of financial support to the Battalion which assisted us to provide an excellent event. Only through the generosity of benevolent sponsors could this event have taken place and in doing so raised the profile of the organisation, and in particular the local Battalion, on a national stage.

Yours faithfully,

Robert McIntosh  
Event Co-ordinator
