Dear clubsportnl,

What a success! The GR100 completed the half Ironman on June 17<sup>th</sup> and have raised a total of over £180000 for the 5 charities.

As you know I was representing The Scottish Spina Bifida Association and I have managed to raise over £3500 in total. During the race I crashed off my bike only 10kms into the 90km bike route. Luckily the bike survived and I was able to finish. I completed the course Ironman 70.3 in 5 hours 50 minutes and 21 seconds, a time which I am incredibly proud of.

On behalf of the Gordon Ramsey Foundation and myself, I want to extend a heart-felt thank you for your donation to making this fundraising so successful. It was crucial to me attaining the fundraising total which was set for me. Your generous contribution helped make our vision a reality by helping to achieve and go beyond my original target.

As the Gordon Ramsey Foundation continues towards their target of raising £2 million pounds over the next two years, please know that partnerships with sponsors like your organisation are vital to the success of this. You are truly appreciated. Thanks again.

Sincerely,

A handwritten signature in black ink that reads 'Douglas Holmes'.
