**Tryst 77 Handball Club  
Sports Development Funding**

With regard to the above, I just wanted to say thank you for the grant awarded to our club to try and develop handball across different areas of North Lanarkshire.

The success of the previous funding gave us the incentive and encouragement to try and repeat the work in new areas and new schools and continue to grow the sport.

From our relatively strong base in Cumbernauld we are branching out and beginning to make inroads in areas that have never played handball before.

Thanks again for your support as all help with funding is greatly appreciated and much needed.

Many thanks
