Dear Jim

On behalf of everyone at Beatson Cancer Charity, I am writing to thank you for your kind and generous donation of £323.00 raised at from the half marathon on Sunday 13th May. Please pass on our thank to everybody who contributed in some way!

Thanks to your support we can continue to invest in services, staff, research and education to provide a better future for those affected by cancer. We aim to make the journey easier by transforming the way patients are cared for and the way treatment is funded. Whether it is in the hospital ward, or within the community, we believe no one in Scotland should experience cancer without care, without love and without hope. We are with patients and their families whenever they need us.

Amongst patients and the wider community, we are best known for our award-winning Wellbeing Centre and specialist support at The Beatson West of Scotland Cancer Centre and across hospitals in five health boards in the west of Scotland. Meanwhile, clinical and research professionals recognise our ongoing commitment to providing more effective wellbeing and medical services, funding additional specialist staff and supporting world-leading cancer research and education.

All our work is made possible by supporters like you. It is your generosity which allows Beatson Cancer Charity and all our staff and volunteers to deliver an innovative and patient-focused approach to cancer care and change the lives of those affected by the disease every day.

Thank you for being with us.

Yours sincerely

Karen Harrower
